

JLG Can Help with Your Toughest Collection Development Problems

Staff cuts?

Let Junior Library Guild be your virtual staff! Help with collection development is just the beginning. We offer a variety of services including MARC records, shelf-ready processing, and more.

Budget cuts?

Your Junior Library Guild membership brings you 12 hardcover books for just \$167.40. Paperbacks are only \$83.40 for 12 books. Shipping is always free. Other collection development services can't beat this deal.

Difficulty selecting certain genres?

Stymied by sports? Boggled by biographies? We'll help you assemble a mix of Reading Levels (for example, Easy Reading for early elementary students or Fantasy/Science Fiction for middle and high schoolers) that will be a perfect fit for your library.

Demand for the newest materials?

JLG editors make their selections before books are published. That means you get only the newest books. And because you're a member, you get them first.
